

Block 1

Student Success Conference 2025 -- Call for Programs

FLASH SESSIONS

The conference focus in 2025 is to showcase holistic ways to support student success. Programs should focus on the wellness or well-being of students and have specific links to at least one of the **dimensions of wellness**.

The 2025 SSRI Student Success Conference is in collaboration with the Well-Being Collective.

General Questions

Flash Sessions

Flash sessions are quick opportunities to share a story or program. Flash sessions should be 3-5 minutes in length and contain no more than 5 slides. Please indicate below which type of session you are interested in.

Current or upcoming programs, research or initiatives to support student wellness and wellbeing.

Advertising opportunities to collaborate on upcoming programs, research of initiatives to support student wellness and wellbeing.
